CORRIGENDUM

Dated 7th October 2026

No.SDMA.444/2026/40 :In partial modification of the Request for Empanelment (RFE) for Preparation of Project Pre-Feasibility Reports (PPRs)/Detailed Project Reports (DPRs) for Various Disaster Mitigation Projects under the National Disaster Mitigation Fund (NDMF) and State Disaster Mitigation Fund (SDMF) issued vide Notice No. SDMA.444/2026/8 dated 12/08/2026, the following corrections/modifications shall be made:

1. Mode of Submission of Proposal

Applicants are required to submit their proposals in hard copy only, in accordance with the submission procedure prescribed under the RFE as modified herein.

No online/email submission of proposals shall be accepted at this stage.

2. Correction in the RFE Table

The entry relating to the Last Date and Time for Submission of Proposal (Proposal Due Date) appearing on Pages 2 and 4 shall be read as follows:

Page No.	Sr. No.	Items	Description
2	2	Last date and time for submission of Proposal (Proposal Due Date) through email	16.10.2026 at 1700 hours. Proposals shall be submitted in hard copy only. No proposal through email or any other online mode shall be accepted.
4	2	Last date and time for submission of Proposal (Proposal Due Date) through email	16.10.2026 at 1700 hours. Proposals shall be submitted in hard copy only. No proposal through email or any other online mode shall be accepted.

The proposals shall be submitted at the designated office of the Meghalaya State Disaster Management Authority, Lower Lachaumiere, Shillong, Meghalaya -793001, during the prescribed time.

3. Clause 36 – DETAILS TO BE SUBMITTED BY THE CONSULTANTS

Clause 36 of the RFE shall be read as follows:

The proposal is required to be submitted in a large sealed envelope, superscribed:

“Proposal for Empanelment of PPR/DPR Consultants for Various Mitigation Projects in Meghalaya”

The sealed outer envelope shall contain the following two separate envelopes:

36.1 Technical Proposal

The first inner envelope shall be duly sealed and superscribed **“Technical Proposal”**

and shall contain the documents/information specified under **Clauses 36.1.1 to 36.1.10**, as already prescribed in the RFE.

36.2 Financial Proposal

The second inner envelope shall be duly sealed and superscribed **“Financial Proposal”**

The Technical Proposal and Financial Proposal shall be kept in their respective sealed envelopes and shall thereafter be placed inside the sealed outer envelope.

4. Other Terms and Conditions

Except to the extent expressly modified by this Corrigendum, all other terms, conditions, eligibility requirements, evaluation criteria, submission requirements and provisions of the original RFE shall remain unchanged and shall continue to remain applicable.

This Corrigendum shall form an integral part of the RFE and shall be read in conjunction with the original RFE and any earlier corrigendum/extension issued in respect thereof.

All applicants are advised to take note of the above modifications while preparing and submitting their proposals.
